The public is increasingly focused on the role and treatment of women in our society, and the legal profession must be part of that dialogue. Come join us for an informative and insightful look at the role of women in our federal courts. Hear historical and current perspectives from the bench and bar, public and private employers, and what we all can do to give women more opportunities to have their professional voices heard, including in court.

This CLE event is free of charge, and lunch will be provided.

This program is pending approval by the Board on Continuing Legal Education of the Supreme Court of New Jersey for 1.8 hours of total CLE credit. Of these, 1 qualifies as hours of credit for ethics/professionalism. Approval is also pending for Pennsylvania CLE credit.
