Electronic Filing

It has been brought to the Court's attention that several attorneys are not signed up for CM/ECF notifications. While the Court is aware some of you are not admitted to the District of New Jersey, our Local Rules and the Rules of Procedure of the United States Judicial Panel on Multidistrict Litigation allow any attorney of record in an action transferred under 28 U.S.C. § 1407 to represent his or her client in the transferee district without local counsel or local admission. Loc. Civ. R. 5.2(4); Rule 2.1(c), R.P.J.P.M.L. Moreover, this Court required all documents in this litigation to be filed electronically unless otherwise instructed and directed you to this District's CM/ECF website so you could register for an account or, if necessary, apply to the Court for an exemption. (ECF No. 8 at ¶ 5(b).)

To be clear, registration with this District's CM/ECF is required. Out-of-state attorneys with cases transferred to this Court may obtain a log-in and password by completing the ECF Registration Form available at <http://www.njd.uscourts.gov/cmecf-information> and checking the box next to "Appearance in an MDL Case." Registration will provide you with electronic notices of all filings in this litigation.

Any attorney seeking an exemption from this requirement must apply to the Court directly via email at njdnef_martinotti@njd.uscourts.gov and lhg_orders@njd.uscourts.gov.

SO ORDERED.
