- August 31, 2026: Parties to file Reply Briefs in support of *Henson* MILs (deadline from CMO 37) and serve Reply Briefs in support of *Rabin* MILs.
- September 16, 2026: the Parties will serve objections and responsive disclosures to the pretrial disclosures, including counter-designations and rebuttal exhibits. The Parties will incorporate those materials into the draft Final Pretrial Orders.

A Final Pretrial Conference shall be held on **October 6, 2026 at 11:00 a.m.**

The Parties shall work jointly to prepare an appropriate streamlined Final Pretrial Order form, including, for example, to attempt to streamline the presentation of common MDL matters, avoid unnecessary duplication between the two bellwether cases, and accommodate the volume of case-specific witnesses, exhibits, and deposition materials, so that the case can be tried in the number of days set by the Court. The Parties will also promptly submit any conforming revisions required by subsequent orders on dispositive motions, expert-related motions, or other pretrial rulings.

It is SO ORDERED.
