2. **APPLICABILITY.** This and all subsequent Orders shall govern the practice and procedure in all actions transferred to this Court by the Judicial Panel on Multidistrict Litigation pursuant to its Orders, and related actions filed in this Court or transferred or removed to this Court, and any “tag-along” actions transferred to this Court by the Judicial Panel on Multidistrict Litigation.

3. **CONSOLIDATION**. All actions described in Paragraph 2 above are consolidated for pretrial purposes, including any “tag-along” action later filed in, removed to, or transferred to this court or any cases filed directly in the District of New Jersey. Parties with similar interests may agree to have an attending attorney represent their interest at the conference. Any party appearing through a designated attorney shall notify the court in writing in advance of the conference. By designating an attorney to represent its interest, the party will not be precluded from other representation during the litigation, nor will attendance at the conference waive any objections to jurisdiction, venue, or service of process.

They shall maintain complete files (papers and/or electronic) with copies of all documents served on them and to make such files available to parties within their group upon request. The expenses incurred in performing the services of liason counsel shall be shared equally by all members of the liason group in a manner agreeable to the parties or established by the Court failing such agreement. At the initial conference the parties shall be prepared to discuss any additional matters consistent with this function, including any need for a Steering Committee for plaintiffs and/or defendants.

7. **POSITION STATEMENT.** Counsel for each side shall confer and submit to the court on or before April 27, 2015, a brief written statement (not to exceed 10 pages) of the parties' preliminary understanding of the facts involved in these cases and the important factual and legal issues.
