[Remove selected cases](#) [Change selected cases to notice per filing](#)

The following is an explanation for each option:

Should this e-mail address receive notices:	For the primary email the default is Yes and should always be Yes.
How should notices be sent to this e-mail address?	Sets the default delivery method for notices sent to this address. Per Filing sends an email for each individual NEF. Summary Report sends one daily summary email notice that lists all the filings for that day and will be sent the following day. The Summary Report setting is not recommended.
In what format should notices be sent to this email address?	Controls the format of the emails—either HTML or Text .
Should this e-mail address receive general announcement notices from this court?	If No , the user will not receive general court announcement email message unless the court overrides the user's preference.
Show all cases for this e-mail address	Displays a list of all of the cases for which the user is configured to receive NEFs.

To add additional cases for which to receive NEFs, enter the case number(s) in the Add additional cases for noticing text field and then either click **Enter** or **Find This Case**. After selecting the appropriate case(s), click **Add case(s)**. This will add the case(s) to the list of cases in the default method of service list (the first list of cases). To move cases from the default method list to the alternate method list, the user should click the case number(s) in the primary list and then click

the Change selected cases to notice as a summary report button (if summary noticing is the default method, then this button will be labeled Change selected cases to notice per filing). The cases will be moved to the alternate method list. To delete cases from the default method list or the alternate method list, select the case(s) and then click the **Delete selected cases** button. In the screens below, only the bottom right portion of the Email Information screen is shown.

For secondary email addresses, the additional **Should this e-mail address receive notice for all cases in which this individual is a participant?** option appears in the Configuration Options section of the screen. The user can answer **Yes** or **No**. To remove an email address, the user should click on the address on the left side of the screen. This will cause the email address to display in a text field on the right side of the screen, along with all the configuration options and case lists (if any) associated with the email address. The user should remove the email address from the text field. If the user wants to change the email address to a different one, the user should immediately type the new address in the text field. If the user clicks anywhere outside the text field while a complete email address is not in the text field, all of the configuration options and case lists will disappear from the screen, and the previous email address and settings will be removed.
